

Year 6 Autumn Newsletter

Welcome back! We hope you have had a fantastic summer. The time has now approached when your children are in their final year of primary school (scary!). Year 6 is going to be a year which is full of challenge, excitement and fun. The three rules we have asked that children follow are; to be ready, to be safe and to be respectful.

Spellings & Times Tables

Children will receive their spellings on a Monday. They will be tested on both their spellings and times tables each Monday. Children should also access spelling shed and times tables rock stars at home.

Read for the Stars

The reading challenge has begun once more! Last year, many children were able to reach the sun. We are hoping this year, that every Y6 child can reach the sun at least once! We cannot emphasise the importance of reading enough to you. Great readers make great writers. Reading at home each night will also have a huge impact on their SATs, vocabulary and comprehension. Year 6 children are able to write in their own reading records but it needs signing by a parent/guardian.

PE

Year 6 will be doing PE on a Tuesday and Friday. They will need to leave their PE kit at school each week. Children must wear a green top, black shorts and plimsolls. Trainers are only allowed for outdoor PE. Pupils must be able to remove their own earrings.

Our Topic

Year 6 will be learning about the Ancient Kingdom of Benin

PROJECT CHALLENGE: How many interesting facts can you find out about Benin? Children can choose how to present this e.g. fact file. A wonderful piece of African art would look fabulous on our classroom display.
