28th June 2019

A message from Mr Hodgson

We have said goodbye today to some of our Year 6's who now move onto their Secondary School, as part of their early transition. This Year 6 group of children have been my first full year of Y6's at Bader and I must say that they have been a super year group with many special individual talents. We will miss you all and we wish you the best of luck in the next part of your learning journey.

Yesterday, they performed their final assembly to school and today is extra special as they perform for parents and carers. I am sure (as I know what's coming), there won't be a dry eye in the house!

Next Thursday:

We have a great day planned:

- We have the Big Red Bus here first thing for you to peruse and purchase high quality books.
- We have a Non-Uniform day as long as you bring a bottle donation for the Summer Fayre.
- We have the Summer Fayre (see below) with lots of exciting things going on – Please come along and support our Friends of Bader.

The Friends of Bader
Invite you to the

Bader Summer Fayre

on

Thursday 4th July
3.15pm to 4pm

**Any donations for the raffle and
tombola will be gratefully accepted.**

Dates for your Diary

Week commencing 8th July: Sports & Healthy Living week with lots of activities around being fit and healthy

8th July KS2 Sports Morning

9th July KS1 Sports Morning

17th July Reception Graduation

18th July End of Year Reports – N to Y5 open afternoon

Friday 19th July School breaks up for summer

We now have **1,995** followers on twitter! Can we get to 2000 soon? @BaderPrimary

Remember; please follow us on twitter (@BaderPrimary) for postings of the latest news and events going on in school. Also, check out our school website: <http://www.bader.org.uk/>
Here, you will find lots of useful information including the latest class and school newsletters.

The Curriculum

This week the children have been taking part in Science Week. They have taken part in practical Science lessons every afternoon. We have been learning about Space, plants, mini beasts, transport and the journey of plastic. The children have had a fantastic week. It's been wonderful to see them developing their scientific enquiry, developing their higher order thinking skills and growing a love for Science.

Harrison, Y3 said *"I have loved Science Week and I enjoyed investigating how craters are formed"*

Aisha, Y3 said *"Science Week was the best week yet because we got to try different things we haven't done before"*

Tabitha, Y3 said *"I liked making planets out of plasticine"*

Isabelle, Y2 said *"I loved it because we did activities and I liked planting sunflowers"*

Agam, Y2 said *"It was amazing because we did loads of science and I love science. The best part was learning about pollination"*

Teegan, Y3 said *"We really wish we had more than a week of science. We enjoyed it every single day!"*

Read for the Stars

Well done to **Bobby Allison** and **Harrison Allison** for reaching the sun this week. Well done also to **Rocco Frost**, **Nyla Smith**, **Felicity Robson**, **Lucas Emerson**, **Theo Payne** and **Mya Finch** for reaching the sun a second time and **Kaitlin Easton** for reaching the sun a third time!

Every child should now have reached the sun at least once as school is committed to fostering a love of reading.

80% of the children in school have now benefitted from a new book – it would be lovely if it was 100%!

To that end, can we ask you to please read with your child or encourage them to read aloud to you or to find a quiet place and lose themselves in a really good book!

School Improvement Fund Bid: New Roof for Bader!

Work on the new roof will begin in the next few weeks. Scaffolding will be erected around the site and this will remain in place while the work is being undertaken (mostly over the summer). The company responsible for replacing the roof will be coming into school to talk to the children about the safety precautions undertaken and how the site will be kept safe for everyone.

Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children's learning.

Week ending 20 th June 2019		
Class	% Attendance	Lates
Miss O'Keeffe & Miss Beckwith Reception	95.1% ☹️	3
Mrs Jones Y1	92.3% ☹️	2
Miss Bryson Y1	★☺️ 99.0% ★☺️	3
Mrs Jatwa Y2	95.7% ☹️	3
Mrs Mudgway Y2	92.0% ☹️	4
Mrs Ayre Y3	☺️ 97.4% ☺️	3
Miss Ferens Y3	87.9% ☹️	3
Miss Robson Y4	83.3% ☹️	6
Mrs McLean Y5	93.4%☹️	2
Mrs Smith Y5	85.0% ☹️	3
Miss Logan Y6	☺️ 98.1% ☺️	2
Mr Brown Y6	96.0% ☺️	5

Attendance goal 96%

Remember, the gates are open from 8.45am and the doors to classes close at 8.55am when the bell sounds.

Pen Licences

This week's lucky pupil to receive their licence, as endorsed by the Pen Inspector General (me) is **Saif Ahmed**.

Saif is the first child in KS1 to receive a pen licence. Very well done, Saif!

Have a lovely weekend!
Hope the sun keeps shining!

Mr Hodgson
