

Dear Parents/Carers,

During the time that children will be absent from school, we would like them to complete work, which will support them in continuing their learning from home.

All Y6 children have their SATs booklets, which they should continue completing, as well as logging on to spelling shed and times table rockstars. In addition to these ongoing activities, we have also provided a work pack for children to complete. Within this pack you will find;

- Arithmetic and reasoning activities
- Science
- Reading comprehension
- Writing activities

In response to school closures, twinkl, a well known website used by school, are offering free access - follow the instructions below:

Step 1: Go to www.twinkl.co.uk/offer

Step 2: Enter the code you have received, or CVDTWINKLHELPS if you have not yet been given a code

Step 3: Share the offer code and website link with anyone who could benefit.

Twinkl has many informative powerpoints and games which can be enjoyed at home.

Parents may also like to access the science site we use in school:

<https://explorify.wellcome.ac.uk/>

username: bader@bader.org.uk Password: Bader2020

Thank you for your support in helping children to continue their learning from home,

Miss Rider & Miss Logan
