

Hello,

We hope you are all safe and well and finding the home learning packs along with our Class Dojo posts helpful. Please ensure your child is still accessing Spelling Shed and Times Tables Rockstars regularly, we recommend around 30 minutes each session.

The idea of the pack is not to complete all in one go, but to break it up into sessions throughout the coming weeks. We will be posting on Class Dojo regularly, so if you are not signed up already, please do using the steps provided in the first pack.

For English learning, we have provided a number of activities in the pack for your child to complete. In addition to this we will post regular activities on Class Dojo.

For Maths learning, please use the home learning scheme provided by White Rose. This offers a tutorial video along with set tasks to complete daily. To find the home learning, follow the link below:

<https://whiterosemaths.com/homelearning/year-4/>

Please upload any completed work to the portfolios. Please don't feel obliged to print any of the worksheets out for the Maths learning, you can just work on a piece of paper.

For any Science activities, please log onto <https://explorify.wellcome.ac.uk/> using the following log on details:

**username: bader@bader.org.uk**

**Password: Bader2020**

Stay safe and keep smiling!

Miss Beckwith, Miss Robson and Mrs Jones
