## **A message from Mr Hodgson**

Children learning to swim, children visiting our local library, visitors in to school and great attendance at before and after school clubs are just some of the exciting happenings that went on in school this week. We are now well and truly into this term!

## **Phone Call Friday**

A while ago now, we introduced 'Phone Call Friday' where staff identify a child in their class who has had a particularly good week. We feel that it's important to share positive and the not so positive with parents/carers. Last week's 'Phone Call Friday' folk were:-

Lucas Mack

Dexter Earnshaw Glasper

Georgia Watson

Lauren Aithwaite

Alfie Johnson

Thomas Johnson

Jack Cooke

Mia Cooper

Maddison Charlton

Lilly Curran

Ben Frost

Ashton Jones

## **Twitter**

We now have an amazing 2,100 followers on Twitter. Please follow us @BaderPrimary to see the latest goings on in school.

## **BBC Sport Relief**

You will remember a couple of weeks ago, we had the absolute pleasure of welcoming the BBC and the BBC Sports Personality of the Year and England cricketer, Ben Stokes into our school.

Well tonight is the night, tune in from 7pm to see our children, our school, Ben Stokes and of course, our Mr Murphy! (Check our Twitter feed to catch a sneak preview of the visit!)

## **Pen Licence**

For children who have beautifully formed, joined handwriting, their reward is a 'Pen Licence'.

This allows them to use a pen for all writing in school. Also, they are presented with a certificate in assembly, are given a pen licence card to carry with them and are given a special place in the hall on our 'Roll of Honour' board. This week's lucky pupils to receive their licence, as endorsed by the Pen Inspector General (me) are: **Ebbie Fraser-Bage** and **Aisha Marghani** Well done!

## Read for the Stars

Well done to **Keevie Critchley, Alicia Blackburn, Lucca Collantine, Alexis Shaw, Alex Bryan, Jenson Hilton, Millie Foxton** and **Louie Stenburge** for reaching the sun this week.

A very big well done also to **Lexi Gill** for reaching the sun a second time!

Every child should have reached the sun at least once by now. Reading every day is part of our home school agreement and home learning. Please read with your child or encourage them to read aloud to you or to find a quiet place and lose themselves in a really good book!

## Curriculum

This week is 'British Science Week' and led by our Science Lead, Miss Ferens, we have had lots of Scientific thinking, a visit to a Science fair at Thornaby Academy, several Science assemblies and a Science competition launched, to continue to develop and promote Science in our school. The theme for Science Week is 'Our Diverse Planet'. See Twitter for more images and news.

## Coronavirus

**Hot off the press! A separate letter from the Trust is going home tonight too.**

It is our intention to monitor the latest guidance as soon as it is published and to provide a comprehensive update to you thereafter, as soon as practicable. The health, welfare, teaching and learning of our whole school community is our highest priority.

The latest information about Coronavirus can be found on this link <https://www.gov.uk/coronavirus>

The NHS says that washing your hands is a key part of preventing the spread of viruses such as the coronavirus. The NHS says that you should wash your hands with soap and water often, for a period of at least 20 seconds.

The DfE guidelines state to stay at home for 7 days if you have either:

- a high temperature
- a new continuous cough

This will help to protect others in your community while you are infectious.

Do not go to a GP surgery, pharmacy or hospital.

You do not need to contact NHS 111 to tell them you're staying at home.
