## **A message from Mr Hodgson**

Today, was the last day of this academic year. It has been an incredibly challenging last 4 months for children, parents/carers and staff as we have had to adjust to a new way of learning overnight. We have been immensely proud of the children over the last few months, many of whom have needed to develop lifelong skills such as resilience, adaptability and independence in learning. We know this has not been an easy journey, with many anxieties and worries along the way, but thankfully, we can now start to see the light at the end of the tunnel.

On Thursday 2<sup>nd</sup> July, it was announced that all schools will open for all year groups in September. This news was extremely well received by all staff at Bader and we are very much looking forward to welcoming our children back to school in September.

We are thrilled to know that in September, we will once again be able to hear the classrooms full of children discussing their learning and see the environment busy with a variety of extra-curricular activities too.

In summary, we have desperately missed our children and our school has not been the same without them.

I would like to thank you for your continued support and advise that a new document 'Information about wider opening in September' will be posted on Class Dojo and our school website, separately to this final newsletter of this academic year.

## **End of Year Awards**

## **Goodbye but not farewell**

Mr Murphy will be leaving our school tomorrow, as will Miss Warren.

Mr Murphy has secured a teaching post at a specialist provision in Middlesbrough while Miss Warren is joining another school within the Trust. I am sure parents and carers would want to join myself and our staff in wishing these two professionals, all the very best for the future. Both have contributed immensely to our school during their time here.

Thank you too to Mrs Gallagher for her time with us in Early Years.

### **Professional Development Days**

As advised above, school won't officially open until Thursday 3<sup>rd</sup> September as the first two days after the summer break will be staff professional days. The main focus during these days will be to ensure staff are familiar with the new procedures and measures in place, as we welcome all children back into school.

### **100% Attendance**

COVID-19 obviously affected everyone's attendance from March 20<sup>th</sup>, when school closed for the majority of our children. However, we still have 55 children who have not been absent for a single day (up to that point).

Arriving on time, being ready for learning and being in school cannot be stressed enough in order for your child to receive the best education we can provide, especially from September when we open our doors to

### **Summer Reading Challenge**

The importance of reading and reading for pleasure also cannot be stressed enough. Therefore, we are again launching, this year's 'Summer Reading Challenge'. This will involve the children reading 30 times over the holidays (ideally, 5 of the 7 days each week). Parents/carers then sign the 'rocket' to confirm that they have done this. More details have been posted on Class Dojo by our English Lead, Miss Rider.

### **Read for the Stars**

More children than ever have reached the sun this year as we have continued to promote reading and rewarding children (and parents/carers) for their efforts. Well done to every child in school who reached the sun once, twice or even three times this year. We will go again in September with certificates and books for avid readers.
