A message from Mr Hodgson

Another super week in school, with Sport and Healthy Living taking centre stage. The importance of being fit and active is something which we massively believe in at Bader and this, together with eating healthily will help the children who are part of school to achieve our vision of growing up healthy and strong.

Class arrangements for 2019/2020

The Curriculum

Another great week, following on from our successful 'Science Week'. This week, we have had a 'Sport and Healthy Living' focus, including Early Years, Key Stage 1 and Key Stage 2 sports mornings, which we hope you enjoyed. Please see below some of our other activities.

Nursery pupils enjoyed making their own smoothies using a smoothie bike!

Year 6 enjoyed their HIIT work out followed by some yoga!

Year 4 had a great time circuit training!

Key Stage 1 pupils enjoyed some fun exercise with Freddy Fit!

Ready, Steady, Go!

School Improvement Fund Bid: New Roof for Bader!

Work on the new roof will begin in the next few weeks. Scaffolding will be erected around the site and this will remain in place while the work is being undertaken (mostly over the summer). The company responsible for replacing the roof will be coming into school to talk to the children about the safety precautions undertaken and how the site will be kept safe for everyone.

Read for the Stars

Well done to **Ben Frost** for reaching the sun for the first time! Well done also to **Ethan Munster** for reaching the sun a second time.

Every child should now have reached the sun at least once as school is committed to fostering a love of reading.

80% of the children in school have now benefitted from a new book – it would be lovely if it was 100%! To that end, can we ask you to please read with your child or encourage them to read aloud to you or to find a quiet place and lose themselves in a really good book!

Look out for our Summer Reading Challenge – details to follow soon!
