

Year 6 Newsletter

Dear Parents and Carers,

In Year 6, the children are busy preparing for their Key Stage 2 SATs that they will sit **w/b 14th May - 17th May.**

Monday 14th - Spelling, Punctuation and Grammar paper
Spelling test

Tuesday 15th May - Reading paper

Wednesday 16th May - Arithmetic paper 1
Reasoning paper 2

Thursday 17th May - Reasoning paper 3

The children are trying so hard to revise topics and apply their knowledge to solving problems and understanding texts. We would like to take this opportunity to congratulate the children on all the success that they have already achieved and are so proud of their hard work and commitment to their learning. We would also like to thank you for all your support and help that you are giving to your children and how invaluable it has been.

In order to help the Year 6's prepare and feel mentally ready to sit the tests, we have been taking part in 'Mindfulness' workshops. In these sessions, children learn techniques to help them keep calm and focussed and to not allow themselves to become stressed. We understand that the prospect of these tests can be stressful but we want to make it clear to children that there is no need for them to apply this extra pressure. All we want is for all children to do their best. This is all we can ask for!

Reading Competition

If children read three times a week for 20 minutes with an adult, they will receive a pizza treat at the end of term. Please record this reading in reading records.

PE

Year 6 children have a weekly PE session on **Thursday.**

Please ensure that children bring the correct PE kit every week.

Macbeth

In English this half term, we will be studying the William Shakespeare novel Macbeth. Children have already researched about the life of Shakespeare and look forward to reading more about the story centred around ambition, power and murder.
