Read for the Stars

This year, we have really been pushing home reading with our new initiative 'Read for the Stars'. To date, we have rewarded 80% of pupils (some more than once as quite a few children have reached the sun twice and three times). To that end, can we ask you to make a really big effort between now and the end of term, to read with your child or encourage them to read aloud to you. Alternatively, they could find a quiet place to lose themselves in a really good book.

Well done to **Joe Norman, Jack Pearson, Lilly Lenighan, Peter Marshall, Gracie Stephenson, Bailey Cooper, Ebbie Fraser-Bage, Gracie Foster-Theakston, Sam Mace, Maisie Barrett, Emily Gray, Harriet Stott, Corey Carney-Gill, Kacey-May Lenighan** for reaching the sun this week. Well done to **Jake Mylan, Melody Taylor, Alissa Gray, Felicity Robson, Sophie Bowstead, Ollie Clayton, Faris Ahmed, Frankie Jayne Vale, Freddie Jackson and Ralph Dollard** for reaching the sun a second time and a Big Well Done to **Evie Bage** for reaching the sun for the third time!

Every child should now have reached the sun at least once and school is committed to fostering a love of reading.

Bader Values

Our Bader values of **happiness, aiming high, determination, excellence and respect** continue to be celebrated and rewarded. The rewards your children receive (via class dojo) will all now link to the above values and in addition to our celebration assembly on a Monday, children can earn 'aiming high' tokens towards bronze, silver and gold awards. We are trialling this, this term, and would encourage you to discuss the Bader values with your children to embed this further. **This week's Best of Bader awards go to:**

Jacob McKnight – Determination

Ralph Dollard – Aiming High

Georgia-Mae Crossley – Determination

Morgan Cuthbert – Happiness

Louis Wardell – Respect

Cole Parker – Determination

Grace Rocke – Determination

Lincoln Carney for displaying all the #Badervalues Happiness, Aiming High, Determination, Excellence and Respect.

Daniel Lithgow – Determination

Maggie Raine – Aiming High

Madison Green – Happiness

The Curriculum

This week, members of our Science club visited the XCEL Centre in Newton Aycliffe where they met the astronaut, Michael Foale.

Year 4 took part in ‘Snappy Proms’, alongside hundreds of other children at Thornaby Pavilion. There was lots of singing and performing to an enthusiastic audience of parents/grandparents and carers.

Year 6 had yet another amazing experience by going bowling and then the cinema as part of their end of year treat. They have had some amazing experiences this year, from a residential to Hexham, visitors into school, meeting authors, to name just a few.

Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children’s learning.
