### **Platinum Awards**

At our school, we use Bader value points to reward children who display our values of happiness, aiming high, determination, excellence and respect. Children then earn bronze, silver and gold certificates for 100/200 and 300 Bader value points respectively. In exceptional circumstances, children who earn **400** Bader value points can earn a Platinum award. This week, we had **Desirae Davies in Year 2, Rocco Green in Year 3 and Evie Mount in Year 4**. An absolutely brilliant achievement- well done to them!

Our X followers are currently **2546** which is amazing. **Don't miss out!** You can catch up on all the exciting learning that has been captured on X in the last week (@BaderPrimary). ### Read for the Stars

More children reaching the sun for the 3<sup>rd</sup> time **Georgia Watson, Samuel Lendon, Lacie Frost, Rhia Grey, Callum Wilberforce and Amber Ahmed**. A brilliant achievement by this child!

Twice to the sun too for: **Jacob McKnight, Isobel Potter, Krystle Hagan, Olivia Bell and Jamie Aylesbury**. Well done to them!

And first timer: **Junior Sewell**. Keep on reading!

All we ask that children read a minimum of 4 times a week in Early Years and Key Stage 1 and 5 times a week in Key Stage 2 (up to the maximum of seven times a week). We would love children to read more than 1 book/ chapter a night at home but they will only have 1 stamp a day recorded in their reading rocket card. They work their way through the planets until they reach the sun and then as a reward for their enjoyment of books (and their work), they will receive a certificate and book of their choice in assembly (and their star on our display). Children who are not reading at home now will need to read in school, at playtime, if this is a regular occurrence, and is 'in line with' our home/school agreement.

Thank you for your support.

### Sun Cream

Sun cream should be applied by parents before school starts. Children may bring their own sun cream to school (labelled in their bag). Staff will not reapply sun cream to children, but will guide children in self-application. Please ensure your child has a sunhat.

### Rights Respecting School

As a gold accredited, Rights Respecting School, we look at an Article every 2 weeks. For the next two weeks:

	Right of the fortnight
	<p>Article 14 - Respect for the views of a child.</p> <p>Every child has the right to express their views, feelings and wishes in all matters affecting them, and to have their views considered and taken seriously. This right applies at all times, for example during immigration proceedings, housing decisions or the child's day-to-day home life.</p>

### Uniform: Summer term reminder

We expect (as per our uniform policy) our children to follow:

- Grey or black trousers, skirt or tunic
- White polo shirt
- Dark green sweatshirt or cardigan with the school logo
- **Flat, black shoes or plain, black trainers (children will be expected to change into black plimsolls if they repeatedly wear inappropriate footwear)**
- Green gingham dress for summer wear
- Grey or black shorts for summer wear

Even at this point in the term, our uniform policy is still applicable please.

Thank you for your support.

### End of Year Reports

Staff are currently very busy writing your child's End of Year report, before they come to me for reading prior to being sent out next month.

**ZERO

### Super Spellers

We continue to push with spelling in school this year. The latest recipients are as follows: **Maggie Leeson and Logan Daniels.**

### Bader Parliament visit to the Town Hall

Yesterday, Bader Parliament enjoyed a fabulous visit to Thornaby Town Hall. They had the opportunity to sit in the main hall and hold an official council meeting. Everyone had the chance to sit in the Mayor's chair and be in charge of the meeting, Miss Dunn even got to dress up as the Mayoress! They then were able to look at all of the amazing items held at the Town Hall, including the clock tower and the official robes and chains! #RRSarticle3

## Attendance

### Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children's learning. We have started slowly with attendance and cannot stress how important it is that children are in school.

## Attendance Update

The second week back after half term and our attendance was low - only 91.79% for the week and thus, still well below our target of 95% or better.

The attendance team has sent out 5 unauthorised absence letters.

School will do everything it can to support you and your child getting into school. We follow Local Authority guidance and hold attendance meetings with parents/carers and on occasions, put an attendance plan in place to improve your child's attendance.

On rarer occasions, we then need to refer persistent absence to the Local Authority who issue fixed penalties **(This is the same for term time holiday applications which we are unable to authorise).**

**Please also, report any absences to the school office on the day of absence to prevent unnecessary call from the attendance team.**

Mrs Jatwa is our attendance champion and is available to discuss any issues/challenges that you are experiencing and that school may be able to help with.

Attendance is so important and thank you for supporting school with this.

## Curriculum

With everything else going on this week we have still managed to teach a broad and balanced curriculum. Here is a selection of X posts this week: You will notice that we have included the Rights Respecting School Articles too.
